## Acknowledgements

### *Planning Process Participants*

Over the three years of the planning process resulting in the Western Erie Canal Heritage Corridor Management Plan, well over 1,000 people have helped clarify and shape the issues and action initiatives contained in this document. These individuals represent a wide variety of interests and perspectives from throughout the five-county heritage corridor and New York State.

We acknowledge their valuable contribution to this effort and appreciate their continuing interest and support to bring this plan to reality.
