Controlling Sediment in the Black and Oatka Creek Watersheds

Water Resource Issue Identification and Prioritization

June 2006

A report submitted to the Great Lakes Commission in fulfillment of Task 4 of the overall requirements for the “Controlling Sediment in the Black and Oatka Creek Watersheds” project. This report was partially funded by the Great Lakes Commission Program for Soil Erosion and Sediment Control.

GENESEE/FINGER LAKES
Regional Planning Council

Mission Statement

The Genesee/Finger Lakes Regional Planning Council (G/FLRPC) will identify, define, and inform its member counties of issues and opportunities critical to the physical, economic, and social health of the region. G/FLRPC provides forums for discussion, debate, and consensus building, and develops and implements a focused action plan with clearly defined outcomes, which include programs, personnel, and funding.
