Controlling Sediment in Black and Oatka Creeks

To be considered for this project, the application must be postmarked or faxed by October 3, 2005.

G/FLRPC will evaluate applicants in early October. Selected municipalities will be notified shortly thereafter and will be posted on the project website.

Any questions regarding this project may be directed to David Zorn, Project Coordinator 585-454-0190 x14 or dave.zorn@gflrpc.org.

EMAIL APPLICATIONS ARE STRONGLY ENCOURAGED

Email applications may be sent to dave.zorn@gflrpc.org as a Microsoft Word document attachment or you can fill in the Adobe Acrobat form version. Both are available at <http://www.gflrpc.org/Publications/ControllingSediment/ControllingSediment.htm> and email it to dave.zorn@gflrpc.org. Please include a reference to the *Controlling Sediment in Black and Oatka Creeks* project in the subject line.

For completed applications that cannot be emailed please use the Microsoft Word version only.

They can be faxed sent to the following address:

Genesee/Finger Lakes Regional Planning Council
ATTN: David Zorn
50 West Main Street, Suite 8107
Rochester, NY 14614

Faxes can be sent with cover sheet to 585-454-0191. Please include a reference to the *Controlling Sediment in Black and Oatka Creeks* project on the cover sheet.
