

ACKNOWLEDGEMENTS

“Setting a Course for Seneca Lake, the State of the Seneca Lake Watershed - 1999” is the result of several years of effort by the Seneca Lake Area Partners in Five Counties (SLAP-5). The project could not have been accomplished without the involvement of the participating agencies and numerous funding sources contributing direct financial as well as in-kind support. Major contributors to the research, editing, and production of this report are also listed below. Thanks goes to everyone who helped review this document.
