

## Introduction

The Genesee Transportation Council (GTC) provides funding annually for the *Regional Land Use Monitoring Report* (LUMR) under its Unified Planning Work Program. The purpose of this report is to provide information for building permits by type, size, and value to identify areas of growth within the Genesee-Finger Lakes (G-FL) Region that may, as a result, require increased transportation planning and services.

The *Regional Land Use Monitoring Report* includes residential, industrial, commercial, and community service building permit data for all nine counties in the G-FL Region. Prior to 2000, the number of permits issued for commercial, industrial, and community service buildings was not available for Monroe County, and data on industrial and community service permits was not available for Wyoming County. The categories (and associated subcategories) for building permit data are as follows:

- Residential (single-family, two-family, three-or-four-family, five-or-more-family, and mobile/manufactured homes )
- Industrial
- Commercial (offices/banks, retail/service, service stations, hotels/motels)
- Community Service (hospitals, schools)
- Not Elsewhere Classified

A three-year trend analysis is provided for permitted residential units in all nine counties and industrial, commercial and community service building permits are analyzed over the three-year period. This time-series analysis is based on this

year's and the two previous years' Land Use Monitoring Reports produced by the Genesee/Finger Lakes Regional Planning Council (G/FLRPC).

In addition, a time series (or historical trend) analysis is provided for residential, industrial, and commercial development and subdivision approvals in the Transportation Management Area (TMA).

The TMA includes Monroe County and the adjacent municipalities to the south and east as well as the City and Town of Canandaigua. Table 1 represents the municipalities that, along with Monroe County, comprise the Transportation Management Area.

Table 1

Municipalities in TMA outside of Monroe County		
Livingston County	Ontario County	Wayne County
Avon (Town & Village)	Bloomfield (Village)	Macedon (Town & Village)
	Canandaigua (City & Town)	
Caledonia (Town & Village)	East Bloomfield (Town)	Ontario (Town)
	Farrington (Town)	
Lima (Town & Village)	Victor (Town & Village)	Walworth (Town)
	West Bloomfield (Town)	

An analysis of the collected data on the number, value, and size of buildings permitted in 2009 is provided for each county as well as the TMA. Given that many conclusions can be drawn from the data on permitted building activity tables are provided in appendices at the end of this report for the reader to use for their own needs and analysis.
